

Follow our Journey!

5 - 29 August 2011

Journey Back, Journey Forward, in partnership with our friends from Journey of Hope aim to raise R1 million in aid of Breast Cancer Awareness.

Follow our trip through Africa, which retraces Peter Robinson's solo trip from Uganda to Johannesburg 57 years ago – Peter is now aged 76.

Three generations of Robinsons, together with family and friends will travel through Botswana and Zambia into the Copper Belt, across to Lake Malawi, into Tanzania and Kilimanjaro, through the Serengeti and ferry crossing Lake Victoria, through Uganda and Mountains of the Moon, across Kenya and then heading back via Zimbabwe.

Donations can be made through the Journey of Hope website, www.journeyofhope.co.za by following the Journey Back Journey Forward link.
